Good Bye Year 6!

We wish you all the best for the future! You have all been fantastic. Don't forget to come back and visit us.

Pirates Versus Mermaids

What a spectacular show! The Year 1 & 2 children were so enthusiastic and sang beautifully. Thank you for your support with costumes.

Gala

Thank you for your generous donations for the gala, and for your support on the day. We raised £1500. This money will be used for to enrich the curriculum by subsidising trips and improving our wildlife garden.

Happy Holidays!

Have a super summer break and stay safe.

To everyone at Ledger Lane,

Wow! Fifteen years - how did that happen? For fifteen years Ledger Lane has been my second home. My first class of Year 1 and Year 2 children are now 22 years old - a terrifying thought! As one of my pupils exclaimed just last week, "Mrs Poole you've been here for years and years!"

The staff, both old and new, are my great friends and have supported me through the best and worst times with laughter and hugs. I've never known such a great team of people who pull together and help each other like we do at Ledger Lane - it's one of the main reasons I have stayed here so long!

As for the children, what can I say? Not a day has gone past without one of you making me laugh, making me proud or making me just stop in awe of how wonderful the pupils of Ledger Lane are, and how lucky I am to have shared and had such an important role in your lives! I feel so privileged to have been able to spend fifteen years nurturing, inspiring and watching you grow into the amazing people that you are!

I shall miss the parents too! I shall miss the familiar faces that greet me each morning with a smile and a joke. I shall miss teaching siblings and watching families grow and blossom as they progress through the school.

However, as my class (and the younger members of staff) constantly remind me, I am certainly not getting any younger! I therefore feel that it is time for a change and a fresh challenge. So I am leaving you all to work in another primary in the academy, and as Modern Foreign Languages Co-ordinator, I thought that the Barnsley accent would offer me a decent enough challenge!

Every half term and holiday, I wonder what my class are getting up to and I hope that they are playing hard, working hard and having fun. I shall continue to do this with the only difference being that now I will think about all of you: the amazing staff; every parent I have chatted with; every class that I have ever taught or worked with; every choir member I have sang with and child I have laughed, learnt and adventured with! You have all taught me so much and I can't thank you all enough. You are all dear to me and will always have a special place in my heart! You have been a huge part of my life for fifteen years and you will not be forgotten!

Remember how amazing you all are. Never stop dreaming and remember to shine! I wish you all the best for the future,

All my love,

Mrs Poole xxx
