Attendance

Our attendance for the year so far is 95.38%

Our target is 97%

5 days absence over the whole year is 97%

A child with attendance at 97% or above has a good chance of success and progress

20 days absence over the whole school year is 90%

A child with 90% attendance has less chance of success and it is harder for the child to make progress.

20+ days absence over the school year is below 90%

Attendance below 90% is detrimental to success and progress.

Discover

It has been an exciting start to the Spring term at OPALL with the launch of our 'Discover' topic.

A dinosaur visited Nursery over the holidays, leaving her footprints and a nest of eggs. The children love going on a dinosaur hunt in our Jurassic jungle to see what they can find.
